Spree is fun activity weekend, which features a worship and teaching programme designed to empower children and young people (8-15 years) to take steps in their spiritual journey.

Organised by Urban Saints in partnership with Rock UK, Spree enables children's and youth

leaders to bring their groups away to share in the adventure, build relationships and allow space for everyone to connect with God.

There are various accommodation and catering options to choose from, starting from £53.00 pp for camping and self-catered. All activities are included in the price.

Places can be secured with a deposit of £20.00 pp during the early bird booking period.
